There will be a Board of Review meeting on Wednesday, July 17 at 8:30 am at the township hall for the purpose of correcting qualified errors and to consider appeals related to various exemptions.

There was discussion about the Binden Road bridge. We have been concerned for some time about the condition and safety of this bridge and have contacted the Road Commission about it more than once. They have said it was sound. After the heavy rains of this spring and summer, it deteriorated further and has been closed. An article in the County Press of June 16 raises serious concerns about the cost to replace this bridge.

There were 2 zoning permits issued since the last meeting: 1. Aaron & Michele Winslow 1957 Castle Rd for a Solar Panel Array 2. Mimi & Anthony Slanga 49 Elmwood Rd for a pre-assembled Amish barn (on skids).

There was one item of correspondence about the annual testing of the water at the township hall. A sample was drawn today for retesting, results expected by the end of the week.

Motion by Mohr, supported by Curell to adjourn. Meeting adjourned at 8 pm.
